

Jabra VXi Passport Headset

A professional corded headset with great noise cancellation for noisy call centers.

This durable QD headset delivers great sound and call clarity, enabling you to hear and be heard easily. Lightweight and adjustable, the VXi Passport delivers all day comfort so users can stay focused on their work, not their headset.

Great sound & noise cancellation

Ultra noise cancelling microphone virtually eliminates background noise.

Built to last

Real-world durability to withstand the demands of heavy contact center use.

Made for all-day use

Leatherette and foam ear cushions for comfort preference. Flexible microphone boom rotates 300 degrees.
